## **Produb Licence**

**Chris Schild: Professional DJ Entertainment confirms that:**

I am the responsible person at the above-named company for ensuring that the requirements of the MCPS/PRS alliance Produb licence have been considered. I can confirm that due to practices employed at the above-named company, no Produb licence is required to be held for the following reasons:

1. Music is purchased via a legitimate source and is downloaded directly to a Hard Disk Drive (HDD) or Solid State Drive (SSD).
2. Music is not copied into another format, (i.e, onto CDs).
3. Should there be a change to the above points I shall provide a copy of the relevant paperwork.

I therefore request that this document is accepted in lieu of the Produb licence vetting process

Signed: Chris Schild
